## *Dedicated To . . .*

There is a man who marches beside the band at football games and parades, directs the musical groups, and who has been our music teacher for nine years. This man gives music lessons, co-directs the musical, teaches in the team-teaching program, yet maintains his marvelous sense of humor. It is with great admiration and appreciation that the Peak Staff, on behalf of the Class of 1967, dedicates this yearbook to Mr. Robert Hersee.

MR. ROBERT HERSEE

# Administration

To The Class of 1967:

The various, and often seemingly unimportant, experiences you have encountered throughout your school days will assist you in the future. The experiences which are ahead will be more numerous and difficult. Make your decisions carefully.

My best wishes for each of you and may you find success and happiness in your chosen field.

Charles F. Mains  
Principal

Principal  
Mr. Charles F. Mains

Superintendent  
Mr. Thomas A. Blake

Greetings to the Class of 1967:

You are stepping into an unbelievably exciting and new kind of world. This new world demands a new kind of person — a person with flexibility — one who can sense a problem and then solve it — a person who is equipped to shift from one challenge to another.

You have been given a "start" in this new world in the Medfield schools and, as you leave, my best wishes go with you for your happiness and success in meeting these challenges.

Sincerely yours,  
Thomas A. Blake

Vice-principal—Mr. John McGrath with Secretary

Laura, Mr. Mains, and Julie

A typical American student

Queen Laura

Laura Baccaglioni — the girl with the beautiful blonde hair, a winning personality, and an Italian accent — is Medfield's much admired foreign student. She has a ream of accomplishments, including being an honorary member of the Honor Society and Student Council and being our Homecoming Queen. Her favorite food discovery is — strangely enough — pizza, a taste treat she had never tried before coming to America. Laura has often said that she likes Medfield very much and Medfield certainly likes having her.

# ACTIVITIES

**Due to wide student interest  
and participation and active help  
from the faculty and administration, there  
are many clubs serving Medfield High School.**

# Student Council

This year's Student Council was abundant in the enthusiastic spirit which made it successful. In addition to assuming the activities of previous years, such as monthly assemblies, the Christmas Program, the Magazine Drive, and the Mid-Winter Dance, this year saw the adoption of a Vietnamese child and the formation of the Council Court of Appeals. Strides were made in encouraging student participation in democratic affairs, as well as serving as a link among the administration, faculty, and the student body.

## Band

The high school band, one of the most active organizations in Medfield, has trudged through muddy football fields and hot dusty roads, practiced long hours in the early morning, and even played during a snowfall on Christmas Eve, to contribute to the spirit and enthusiasm of Medfield High.

basic part of the school code.

## FOOTBALL

The Medfield High School 1966 football team had a highly successful season. Ably coached by Mr. Keyes, the team practiced every afternoon for long, rugged hours. Led by co-captains Pat Clancy and Kris Magnussen, supported by players such as Don Dow, Bill Norelli, Mark Loretta and other goal scorers, and led defensively by Kent Iafolla, the team worked together to bring on victory after victory. The 7-1 season ended with Medfield as the first Tri-Valley League Champions.

## **BASEBALL 1966**

The spirit was there, but the 1966 Warrior baseball team's record of three wins and twelve losses under Coach Harry Kresh-pane reflected a youth movement which should pay big dividends in the next two years.

Captain Don Ross' flawless fielding and consistent hitting earned him the Most Val-uable Player Award for baseball in 1966.

The 1967 squad will be bolstered by re-turning lettermen Bill Conlon, Mike Hann, Brian Kelleher, Mike Kelleher, Pete Kelly, Jeff Marks, and Russ Palumbo.

## *Speed and Determination Brings Success*

"All right, all you would-be runners, get out there and warm up! . . . Run the course twice . . . All out! . . . Okay, sprint a few laps! I said SPRINT!" So it goes in the life of a Medfield Cross Country runner, with a few encouraging words from Coach Stansbury — he's out to set a new course record or die in the attempt. The three top runners this year were Dave Bell, the Junior Captain; Dave Hersey, a sophomore; and Senior Dave Lyman. The team had three wins, four losses, and placed sixteenth in Class E, in the State's new record for the Medfield Cross Country Team.

### TENNIS

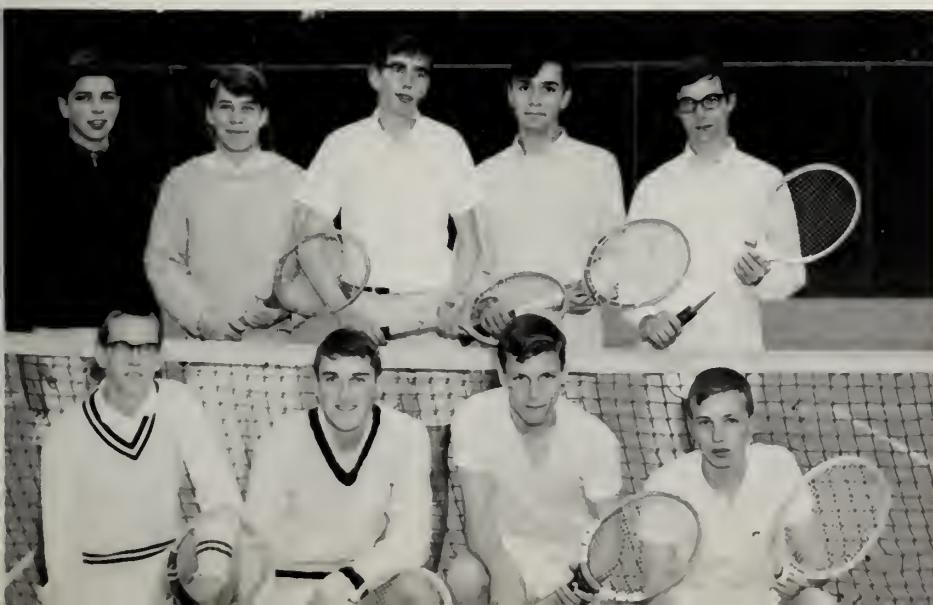

Tennis, a newcomer to the sports curriculum of Medfield High School, was enthusiastically received.

Boys' and girls' teams were organized this spring and will be fortified next season by the addition of two new tennis courts.

Inter-school play was successfully enjoyed by the boys' team with team members Joel Adams and Bob Delano receiving special recognition for their outstanding performance and play.

## **SOFTBALL, 1966 SEASON**

Victory, victory, that's a lie; but though the scores didn't always favor the squad, the fact that it molded itself into a team more than justified its representing M.H.S.

Opposition was tough and often on a grand scale. Enthused by some pretty spirited bus rides and rapid dashes to the ball field, each girl tried for the "homerun sundae" (You were just lucky, Mrs. K!)

"Three-three, the Rivals," "Sweetheart Tree," water balloons, SLIDE, surf (oops), run but never out.

## ATTENTION SENIORS OF MEDFIELD HIGH SCHOOL

We at **Fenton's Photo** know we can bring out the best picture of you and produce a portrait you'll be proud to own and give to your friends.

We mean more than a snap of pictures taken in five to seven minutes. We mean variety — that's real cool---. Nor do we offer quick coloring but quality in our colors, and individual attention with each sitting.

Would you be interested in color and black and white to choose from — along with your yearbook glossy?

At Fenton's Photo you can get real Go-Go Yearbook coverage. Those kind of pictures that add zip and variety.

You'll be proud that you made a change — Join the Fenton Photo Shop Rebellion, and Dial

359 6922 and ask for

**Richard E. Fenton**, Photographer.
